Personal websit

## EDUCATION

Diploma in Management  
Information Systems,  
Abbasiya

2020-2022

## LANGUAGES

- Arabic
- English

## PROFILE

I'm a front end developer with web interface design capabilities. I can design the front end of the site and convert a design from (PSD - XD - Figma) to clear, tidy and responsive code for all screens, and I also have the ability to modify a ready-made site with high accuracy.

## TECHNICAL SKILLS

- HTML5
- CSS3
- Sass
- Bootstrap5
- Javascript
- React Js
- Material UI
- Git & Github
- Office programs
